

LIFESTREAM'S LINKS MISSIONARY FAMILY

THE ISAACS (Island Nation of Vanuatu)

Peter and Jenny Isaac are regional missionaries from Papua New Guinea with the Church of the Nazarene, to the island nation of Vanuatu. Both had previously been teaching at the Melanesia Bible College in PNG and this is their first missionary assignment. They received their missionary call in 2000 and were assigned to the country of Vanuatu in 2006.

Peter is an ordained elder and is currently serving as District Superintendent for this pioneer work. They have three sons: Bennett (Birthday 8/10/1998), Enrich (DOB 08/19/2001) and Junior (06/13/2006). Peter's birthday is 07/10/1971 and Jenny's birthday is 6/3. Their anniversary is 01/06/1996). Their work email address is: mel-fsc@apnaz.org. Their home email is: pandjisaac@vanuatu.com.vui. They have a Facebook page. The web site is: [vanuatunazarenemission](http://vanuatunazarenemission.com). Their mailing address is P.O. Box 2047, Port Vila, Vanuatu.

At the last district assembly, the district set a goal of planting 50 new churches. At the present Vanuatu has six churches and eight preaching points. In 2015 they graduated 3 students from Bible College and Peter mentioned that more are wanting to attend. Pray that God would raise up more pastors to meet the vision of 50 new churches set by this past district assembly.

For more information regarding their mission, please see the links below.

Additionally, please see the church website for more background information on the Isaac Family and on how best to serve our LINKS missionary family.

What is LINKS

The LINKS program of the Church of the Nazarene is a network of personal connections between missionaries and Nazarenes around the world. Missionaries are assigned to districts and, then on the district level, connected to local churches. This gives each church an opportunity to become personally acquainted with the missionary family and their field of service. Typically, churches send cards, cash gifts, packages, and other remembrances to their LINKS missionaries.

In return, the churches feel a sense of involvement with the global mission enterprise of the church through regular correspondence from the missionaries, updates from their field, and even through deputation services while the missionaries are on home assignment. The missionaries are encouraged, knowing people care and pray for them. The relationships built over time personalize names and faces that both the missionaries and their LINKS churches value highly.
